Gray line

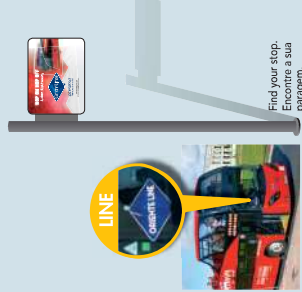

The frequency of Gray Line may differ from advertised because it is subject to delays due to accidents, traffic jams, breakdowns, events of different nature, route deviations imposed by municipal authorities or police officers, road works, road closures and did not allow advanced notice.

Always use the Gray Line app where you'll be able to see the real time bus location.

A frequência da Gray Line pode ser diferente da anunciada devido a acidentes, engarrafamentos, eventos de natureza diversa, desvios de percurso impostos por autoridades municipais ou policiais, obras de via pública, fecho de ruas e não permitindo avisos antecipados.

Utilize sempre a app Gray Line onde poderá visualizar a localização em tempo real dos autocarros.
