- You must be 21+ with a valid government-issued ID to attend this tour.
- Hotel pick up is not included, you'll need to make your own way to the designated meeting point.
- As soon as you book your reservation, you will receive a booking confirmation and then an email before the tour with your club schedule, a photo of your hostess and tour guidelines.
- Driver and host gratuities are not included.

Please note!

Club line-up varies per night and is subject to change.

- The dress code varies from club to club, but dress codes are strictly enforced. Please consult with the tour operator. Typically, visitors should avoid wearing hats, jeans, sneakers, and any informal sportswear.

FAQs

Do we get picked up or dropped off?

No, the tour experience does not include hotel pick-up/drop-off so you will need to sort your own transport to the

start and end locations.

How does the tour work?

The night begins at a bar/lounge inside the hotel casino where the first club is located. You'll meet your hostess within a 30–45 minute check-in window, get a quick rundown of the tour, and have time to mingle with other guests in the Ultra Lounge. When it's time, your hostess will gather the group and escort everyone into the first club.

Afterward, you'll hop on a luxury party bus for the ride to the second venue. The bus includes unlimited cocktails, with your hostess onboard to keep the drinks flowing and the party going. Please remember to drink responsibly.

Once you're guided into the final club, the tour officially ends. There's no return bus, so you'll need to arrange your own transport afterward. We recommend using rideshare services like Lyft or Uber, which are cheaper and more convenient than Vegas taxi fares.

Do we pay cover at the clubs or wait in lines?

Your cover charge at the clubs is included with the tour.

No waiting in standard lines. You'll receive expedited entry at each venue. While regular guest lists or ticket lines can take 60 minutes or more, our groups typically wait just 5–10 minutes. Any short delay is usually due to getting all 30–35 guests through ID checks and security bag screenings.

How long is the tour?

Depending on the tour schedule, the duration of the tour is around 3.5hrs from the point of check-in to the arrival at the last stop.

Time at each section:

Ultra Lounge –1 Hour

1st venue – 1 hour or so

Party Bus Ride – 20 - 25 Minutes

2nd venue – you can stay however long you like, up until closing.

**Times are approximate. Once escorted into the last venue, the tour is over.*

Are drinks included at the club?

Drinks are not included at the clubs, but you will have access to an open bar on the Limo Party Bus. You can also arrange for bottle service at select nightclubs prior to your tour.
